Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

With due consideration to the prior art, instant invention drawn to a computer-implemented method of preparing a contact list, is allowable for including the following non-obvious improvement taken in context of the remaining claim limitations:

responsive to finding no corresponding information in said administered contact information store using an extracted search key value, deleting by the contact builder script a retrieved contact record from the real-time messaging client contact list and responsive to finding a data item in the contact information store, updating by the contact builder script the contact record to include the additional found data item.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
